

ICT is all about **inclusivity**

Gerben Klein Baltink, Boardmember ITvitae

Seaside Matchmaking Cybersecurity 2016

ICT and autism

- Many reasons to involve people with autism in the ICT business
- Largest issues for ITvitae:
 - To involve employers (autism is difficult to handle)
 - Funding of education
 - Hands-on projects/ internships
- A request to all Matchmaking participants:
include autism in your plans!

ICT is all about **inclusivity**
